

THE CORPORATION OF THE TOWNSHIP OF CHAMPLAIN

BY-LAW NUMBER 2010-19

BEING A BY-LAW TO REGULATE THE SETTING OF FIRE IN THE TOWNSHIP OF CHAMPLAIN AND THE PRECAUTIONS TO BE OBSERVED INCLUDING IMPOSING FEES OR CHARGES FOR SERVICES OR ACTIVITIES PROVIDED

WHEREAS section 7.1(1) of the *Fire Protection and Prevention Act, S.O. 1997, c4* as amended, provides that Council of a municipality may pass by-laws regulating the setting of open fires, including establishing the times during which open fires may be set; and

AND WHEREAS the *Fire Prevention and Protection Act, S.O. 1997* provides that the Chief Fire Official or designate is required to approve open air burning and appropriate fire safety provisions; and

AND WHEREAS section 10(1)(2) of *Municipal Act, S.O. 2006*, provides that Council may regulate matters related to health, safety and well-being of the residents of the municipality; and

AND WHEREAS section 129 of the *Municipal Act, S.O. 2001* provides that Council can prohibit and regulate matters that it deems to be a public nuisance; and

AND WHEREAS section 391 of the *Municipal Act, S.O. 2001*, provides that municipalities may pass by-laws imposing fees or charges on any class of persons for services or activities provided or done on behalf of it; and

NOW THEREFORE the Council of the Corporation of the Township of Champlain hereby enacts as follow:

1. SHORT TITLE

This By-Law shall be known as "**THE FIRE CONTROL BY-LAW**".

2. DEFINITIONS

In this by-law:

- a) "**By-law Enforcement Officer**" means the officer in charge of by-law enforcement of The Corporation of the Township of Champlain or his/her authorized subordinates or assistants;

- o) **"Uncleared land"** means land which consists of free standing trees including trees which have been felled;
- p) **"Yard"** means the land other than publicly owned land around and appurtenant to the whole or any part of a dwelling and used or intended to be used, or capable of being used in connection with the dwelling;
- q) **"Automated Fire Alarms"** shall mean all types of fire alarms, which are relayed directly to either a fire department or other security company which is automatically notified of the fire alarm.

3. APPLICATION

- a) The Ontario Fire Code (2.6.3.4.) states "Open air burning shall not be permitted unless approved";
- b) No person shall set an open air fire in the Township without first obtaining a permit from the By-Law Enforcement Officer, Chief Administrative Officer or the Fire Chief;
- c) No person shall set an open fire in the central business section(s) and in the urban areas of the Township. **The central business section(s) and urban area(s) being determined at the sole discretion of the Fire Chief and/or Chief Administrative Officer;**
- d) Burning permits may be issued for clean up of brush in fringe areas of the Township and for a campfire. **Fringe areas being determined at the sole discretion of the Chief Administrative Officer and/or Fire Chief;**
- e) Notwithstanding the provisions of subsections 3.(c) and 3.(d), only the Fire Chief may issue a burning permit for any fire under special circumstances or burning permits relating to farming operations including the duration of the permit or other conditions deemed appropriate or may, at his/her sole discretion, refuse to issue any burning permit depending on the conditions encountered.

4. EXCLUSION

No burning permit is required for an open air fire when such burning consists of a small confined fire, which is used to cook food, for enjoyment or set in an approved outdoor fireplace and is supervised at all times.

5. REGULATIONS

- a) No person shall set an open fire or closed fire to burn any household kitchen garbage or construction materials made of or containing rubber, plastic, paint petroleum, tar, chemical wastes, pressure treated wood, synthetic or man-made materials or any other materials considered to create excessive smoke or smell;
- b) Open air burning shall allow no more than one (1) cubic meter of material to be burned at any one time;
- c) Means of extinguishment of the fire designated on the permit form must be available at the site at all times during the fire;
- d) Open air burning shall only occur during daylight hours, except for a campfire and/or an outdoor fireplace, unless otherwise specified and approved;
- e) Open air burning shall be supervised at all times and never be left unattended until it is completely extinguished;
- f) The permit holder (applicant) must notify the Fire Department when the fire is lit and at the end of the day must extinguish the fire and advise the Fire Department that the fire is out;
- g) The permit holder (applicant) shall notify the occupant(s) of adjacent property(ies) of his/her intentions of setting an open air fire prior to setting the same;
- h) No open fire shall be maintained when the wind is in such direction or of such intensity so as to result in a decrease in visibility on any highway or roadway or a risk of a rapid spread of fire through grass, brush area or wooded area;
- i) No person shall set an uncontained fire regardless of the type of fuel used be it grass, hay or leaves or other;
- j) Open air fire shall not be set closer than thirty (30) meters (100 feet) from any building or uncleared land;
- k) Open fires set off directly to grass, leaves and other crops are strictly prohibited.
- l) No person shall set or maintain an open-air fire or closed fire when the wind or atmospheric condition carries the smoke over other residential properties causing any impairment or discomfort to persons and animals and/or damage to neighbouring properties;
- m) No person shall set or maintain an open fire when the Fire Chief has issued a fire ban;
- n) Notwithstanding any provisions herein, no person shall set or maintain a fire:
 - (1) on any highway or municipal property within the Township;
 - (2) on any asphalt surface;
 - (3) in any park owner and/or operated by the Corporation without the written permission of the Corporation.

6. GENERAL PROVISIONS

- a) This By-Law shall apply to the whole area of the Township;

- b) The application for the setting off of an open fire shall be according to Schedule "A" attached hereto and forming part of this By-Law;
- c) The Chief Administrative Officer, By-Law Enforcement Officer and/or the Fire Chief shall refuse any incomplete application for a permit for the setting off of an open fire;
- d) The owner or any one of the joint owners shall sign the application for a permit;
- e) Permits that are issued for an open fire only, shall not be issued for a period greater than seven (7) consecutive days;
- f) A permit may be issued for a period of three (3) consecutive months subject to the following conditions:
 - 1) The owner or all of the owners of the property where the fire is to be set shall be required to file an "Application for a Fire Permit" according to Schedule "B" attached hereto and forming part of this By-Law;
 - 2) The land where the fire is to be set must have an area of not less than 4.05 hectares (10 acres);
 - 3) That the application must be accompanied by a certified cheque or money order in the amount of one thousand dollars (\$1000.00) made payable to the Township, which shall be returned at the expiry or surrender of the permit by the owner(s) conditional that all the provisions of the permit have been respected and adhered to;
 - 4) That the Chief Administrative Officer, Fire Chief(s) and/or By-Law Enforcement Officer may, at any time and at his/her sole discretion, repeal the fire permit due to weather conditions or for any other reasons that are deemed appropriate for safety reasons;
 - 5) That any breach in the provisions of this Fire Permit or By-Law will forfeit the deposit, as required upon paragraph 6(f)(3), and/or will be applied against any costs incurred by the Township for fire protection services and the owner(s), by signing the permit, waives all rights and any recourse against the Township for return of this deposit. In addition, the owner(s) will continue to assume all responsibility and liability for voluntarily setting off a fire and will also be responsible for reimbursement of all costs incurred by the Township should fire protection services be required.
 - 6) That the issuance of the fire permit will be conditional to the following criteria:
 - i) that the burning of any structure or building will not be permitted and that only burning of brush/branches will be authorized;
 - ii) that a minimum set back of 30 metres will be required from all property lines.
- g) A burning permit may be cancelled or suspended at any time by the Chief Administrative Officer, Fire Chief or the By-Law Enforcement Officer and immediately upon receiving notice of such cancellation or suspension, the permit holder (applicant) shall extinguish any fire started under the permit;
- h) Even with the benefit of a permit, all persons setting or permitting an open fire in the Township shall:
 - i) Be responsible for any damage to property or injury to persons occasioned by the said fire;
 - ii) Be liable for costs incurred by the Fire Department, including personnel equipment and apparatus necessary and called in to extinguish the said fire;

7. FEES AND SERVICE CHARGES

- a) All persons who are liable pursuant to paragraph 6 (h) (ii) of this By-Law shall be forwarded an invoice.
- b) The charges or fees imposed shall be based upon the actual cost incurred by The Corporation, being the actual cost of the Fire Department of the Township including any other costs incurred in order to suppress and extinguish the said fire.

- c) All invoices shall require payment within thirty (30) days from the date of invoices and all overdue accounts shall be levied interest at the rate of 1.25 percent per month or fraction thereof.
- d) Should outstanding or unpaid invoice(s) exist, the Township shall add the said charges and fees imposed, including penalty charges under the provisions of this By-Law, to the appropriate tax roll for any real property in the Township all of the owners of which are responsible for paying the fee charges including interest thereto and the Township shall collect the same in like manner as municipal taxes.
- e) All costs associated with false alarms, in excess of one (1) false alarm per twelve (12) month period, due to automated fire alarms shall be levied and charged to the owner of the property where the false alarms have occurred.

8. ENVIRONMENT PROTECTION ACT

This By-Law does not cover any requirements under the *Environmental Protection Act*. Any fire is subject to the regulations set down by the Ministry of Environment regarding air pollution.

9. OFFENCES

Any person who contravenes any of the provisions of this By-Law is guilty of an offence and on conviction is liable to a fine as provided in the *Provincial Offences Act, R.S.O., c. P. 33*.

10. PENALTIES AND ENFORCEMENT

- a) It shall be the responsibility of the By-Law Enforcement Officer and the Fire Chief of the Corporation to enforce the penalties and provisions of this By-Law;
- b) Tags and tickets may be issued by the By-Law Enforcement Officer and the Fire Chief as per Schedule “C”, set fines;
- c) Any person who contravenes any of the provisions of this By-Law is guilty of an offence and shall be liable to pay a penalty as set out in this By-Law;
- d) The receipt of payment signed by the person assigned to the duty of receiving payments out of Court, shall be evidence of payment of the penalty provided for the violation;
- e) When a person has been convicted of an offence under this By-Law, the court of competent jurisdiction may, in addition to any other penalty imposed on the person convicted, issue an order prohibiting the continuation or repetition of the offence or the doing of any act or thing by the person convicted, directed towards the continuation or repetition of the offence.

11. SEVERABILITY

If a court of competent jurisdiction should declare any paragraph or part of a paragraph of this By-Law to be invalid or ultra vires such paragraph or part of a paragraph shall not be construed as having persuaded or influenced Council to pass the remainder of this By-Law and it is hereby declared that the remainder of this By-Law shall be valid and shall remain in force.

12. DATE OF EFFECT

This By-Law shall come into force and effect on the date of passing thereof.

13. REPEALING OF FORMER BY-LAW

By-law Number 98-45 dated March 23rd 1998 be and is hereby repealed.

READ a first, second and adopted upon third reading this 10th day of February 2010.
