RE: PROJECT START-UP/MOBILIZATION
MTO CONTRACT NO. 2020-4081
HIGHWAY 34

To whom it may concern,

Please be advised that Coco Paving will soon begin construction on Highway 34 for MTO Contract No. 2020-4081. The scope of work for this contract includes the widening of Highway 34 to accommodate the addition of a continuous two-way left-turn lane as well as dedicated left turn lanes at Perreault Street. Work includes; road widening, concrete work, ditching, culvert replacement, private entrance reconstruction and paving.

Contract Limits as follows:

- Highway 34, from 160 m South of Perreault St. to 290 m North of Perrault St.

Construction Timeline:

- The construction and implementation of traffic control measures are scheduled to start **October 1, 2020** and continue until work completion **December 4, 2020**.

Traffic Impacts / Lane Closures:

- Single lane closures with Flagging Operations will occur throughout the construction period on Highway 34 to allow for equipment and material to access areas of Construction at shoulder locations.
 - No work or lane closures are to be scheduled on Saturdays or holiday.
- Shoulder closures will occur throughout the construction period on Highway 34.
 - 2 lanes will remain in place for the duration of the construction and traffic will be re-directed as per the contract staging during the course of the work to accommodate the construction work at shoulder locations. Design staging layouts have been attached for reference with this notice.

All consideration has been given to implement traffic control measures to ensure minimal disruption to the traveling public. We apologize in advance for this inconvenience and very much appreciate the public's patience during construction.
