

# The Corporation of the Township of Champlain

## Tender No. PWT2019-03 – Pick-up Trucks

### ADDENDUM N° 1

---

The following changes are effective immediately and shall be incorporated in the Tender Document as of **April 15<sup>th</sup>, 2019**.

---

**This addendum is issued as follows:**

**Instructions:**

- (1)** The section of “**1. INVITATION a)**” on page 2 is to be replaced with the following;
  - a) The Public Works Department of the Township of Champlain are giving the opportunity to dealers in the area to submit prices for the supply of two (2) new 2018-2019 ¾ ton 4x4 pick-up trucks.
- (2)** The section of “**1. GENERAL CONDITIONS a)**” on page 6 is to be replaced with the following;
  - a) This tender involves supplying and delivering the following pick-up trucks to the location identified below.

**PART 1**

**Supplying and delivering two (2) new 3/4 ton regular cab 4x4 pick-up trucks as specified in this tender document Sections A and B at the following location:**

Township of Champlain Garage, 1023 Pleasant Corner Road East, Vankleek Hill, ON, K0B 1R0, James McMahon, Director of Public Works, (613) 678-2125

- (3)** The section of “**1. GENERAL CONDITIONS c)**” on page 6 is to be replaced with the following;
  - c) It is agreed by the parties that the goods be received **before August 15<sup>th</sup>, 2019 inclusively**.
- (4)** The section “**1. GENERAL CONDITIONS d)**” on page 6 is to be replaced with the following;
  - d) It is agreed that the supplier will deliver the trucks with a full tank of gasoline.

- (5) The section of “**PART 2 – SPECIFICATIONS FOR ¾ TON 4 W.D. TRUCK CAB AND CHASSIS**” on pages 12, 13, 14, and 15 are to be deleted (removed) from the tender;

**PART 2  
SPECIFICATIONS FOR ¾ TON 4 W.D. TRUCK  
CAB AND CHASSIS**

- a) The following bid qualification specifications must be met in order to submit a bid. Bids that do not comply with the specification may be rejected at the discretion of the Township of Champlain.
- b) Where minimums are called for, the specification must meet or exceed the capacity, size or performance specified.
- c) This specification lists only the major details of a unit, therefore, it is the supplier’s responsibility to deliver a fully equipped vehicle with compatible components to provide dependable efficient service.
- d) Vehicle shall meet or surpass the capacity requirements of the “Canadian Motor Vehicle Safety Regulations” (SOP 10-90) amended and must bear the National Safety Mark of the manufacturer.
- e) The installation of the required vehicle and equipment shall be completed before delivery.
