This application reflects the mandatory information that is prescribed in the Schedule to Ontario Regulations 543/06 made under the Planning Act, RSO, 1990, as amended.

All information and materials required in support of your application shall be made available to the public, as indicated by Section 1.0.1 of the Planning Act, R.S.O. 1990 C. P.13. Personal information on this form is collected under the Authority of the Planning Act and will be used to process this application.

In addition to completing this form, the Applicant may be required to submit supplementary information and materials. Consultation is not mandatory but is strongly recommended. As per the Township of Champlain's current User Fee By-law, the following costs associated with the processing of planning applications are payable by the applicant:

- Legal costs related to the preparation and registration of agreements and by-laws to be registered on title;
- Engineering costs; and
- All other technical review costs as may be required by Champlain Township.

I/we acknowledge and understand that I/we am/are responsible for all applicable legal, engineering, and technical review costs as determined by the Township of Champlain.

I/we acknowledge that, Dormant Planning Files that have remained inactive for three years for Committee of Adjustment applications and five years for all other planning applications will be deemed closed. In the event that a request is made to reactivate a closed file, the applicant shall pay the full existing fee for planning services regardless of any costs paid in the past.

Additionally,

I/We acknowledge that, with respect to this application, it is the responsibility of the applicant to determine whether the United Counties of Prescott and Russell require any additional review processes. Furthermore, I/We understand that all applicable fees associated with such reviews are the sole responsibility of the applicant.
